

COUNCIL USES SINGLE STATUS TO ATTACK TERMS AND CONDITIONS

In a disgraceful attack on its employees, the City Council has introduced **NEW** proposals never previously discussed in the single status negotiations, and is bullying staff into signing new contracts by threatening to deny them their compensation or pay protection. There are also attacks on the original compensation payments.

Union members need to stand together, the bigger the membership, the louder our voice and the better bargaining position we hold during negotiations.

PROTEST

THURSDAY 29 APRIL 2010
